ProductSheet
Poly Rove R8 DECT Repeater (84H79AA)

Expand securely

Enhance your Poly Rove DECT™ footprint with the Poly Rove R8 repeater. Built to extend the range of the Poly Rove base station to offer scalability without sacrificing security. Guard your most critical conversations with end-to-end encryption.

Wider reach, safer calls
Communicate confidently with the Poly Rove R8 repeater secure solution. Enjoy seamless conversations with end-to-end encryption, thanks to DECT™ technology, ensuring privacy from your handset to the base station to the repeater.

We grow with you
Poly Rove R8 is compatible with all Poly Rove products and has the flexibility to scale as you grow.

Featuring

Effortless expansion
Experience enhanced scalability through auto configuration on both single and dual cell base stations reducing IT setup time.

Get more range
Extend your reach significantly from up to 50 m/164 ft to 300 m/984 ft, depending on the environment, as a Rove R8 repeater is added. [1]
