True wireless earbuds for work and life

Tune into a world full of sound and free of noise with these earbuds. Whether you're on a video call or into your playlists, these wireless earbuds are designed to keep you productive, connected and entertained.

Say hello to your new work buds
Each bud has a three-mic array that triangulates on your voice and minimizes surrounding noise so you're always loud and clear. Whether you are in a video meeting or a call, these wireless earbuds are designed to keep you productive and connected.

Status and audio controls at your fingertips
The touchscreen charge case lets you remotely control your earbuds, switch Bluetooth® connections and wirelessly connect to inflight entertainment systems in addition to fully recharging your buds two times.

Won't wear out its welcome before you finish your day
Designed for all day wear, these ear buds are lightweight, come with 3 sizes of conical-shaped ear tips engineered for maximum comfort, and advanced sidetone technology that keeps you aware of how loud you are speaking so you aren't straining your voice.

Featuring

Clear, distraction-free calling
Stay focused and keep out the distractions of the outside world with adjustable hybrid adaptive active noise cancelling (ANC).

Advanced noise reduction
With three microphones per earbud and WindSmart technology for clearer outdoor calls, you'll always be heard above the background noise.

Discrete, comfortable design
Designed for hours of comfortable use in even the most demanding enterprise environments, you'll look and sound your best on calls with these discreet wireless earbuds.

Easy connection to Bluetooth® devices
Connect up to two Bluetooth® devices at any time with multipoint technology (remembers up to 8 Bluetooth® devices). Easily manage which two devices via the touchscreen charge case.

Charge case with touch screen
Easily connect, configure and control your earbuds including mute using the touchscreen charge case.
