### A better way to meet and share

Poly Studio Room bundles for Zoom Rooms give you distraction-free meetings with innovative Poly camera tech. From small to large conference rooms, stay productive with technology that empowers the whole team, wherever they work.

### Engineered for your enterprise

It's easy to make every Zoom Room a Poly Studio Room. Certified and purpose built, these cutting-edge meeting solutions fit perfectly into office workflows, offer a consistent user experience and are simple for IT to setup.

### Peace of mind you can call on

Our Poly+ device support team is available 24/7, across the world. This extensive global network of support professionals help you confidently plan and successfully deploy Zoom Rooms.

## Featuring

### Smart + intuitive meetings

Make sure everyone is seen clearly with Poly DirectorAI smart camera technology. Its fast and accurate people, group, or speaker framing modes deliver an unrivaled video experience.

### Be free to focus

Let clearer audio do the talking with Poly NoiseBlockAI and Acoustic Fence technologies. This noise-eliminating, smart technology blocks distractions and prevents noise from interrupting the flow of your team's discussions.

### Up close and professional

Feel like you're face-to-face on both sides of the call. The 4K high-resolution camera sensor captures the entire room with life-like video and everyone in it with total clarity.

### Security that means business

The powerful and secure conferencing PC is protected from malicious attacks at the BIOS level so you can deploy your solution with total confidence.

### Complete call control

Schedule and conduct Zoom meetings with ease via seamless, Zoom-certified integration with the app. The TC10 offers a clear, high-resolution 10" touch display that makes its intuitive controls easy to find and use.
