

Mainstream computing for a variety of business uses

ThinkCentre M7 Series desktops offer enterprise security features, a wide range of configurations and expansion options, and reliability trusted by leading businesses across the globe.

ThinkCentre M70s Gen 4

Tested and certified to drive through heavy workflows, this ThinkCentre is designed to exceed your expectations from a conventional PC. With up to 13th Gen Intel Core i7 processors, run demanding applications without having to worry about performance and speed. From real-time rendering to data analysis and accounting, the leading-edge Intel UHD 770 graphics and up to 128GB DDR4 memory gives you the detail and visualization you need for powering breakthroughs across industries.

Advanced security features to protect device and data

Intel Wi-Fi 6E feature enables faster download and upload speeds, reducing latency and providing a smoother online experience. The onboard connectivity ports such as USB-C 3.2 Gen 1, HDMI and dual DisplayPort facilitate power delivery and connecting to up to 4 displays at a time.

Wide array of ports to enhance accessibility

The dTPM 2.0 chip encrypts your passwords and data whereas the BIOS-based Smart USB protection prevents unauthorized access via peripheral. The Kensington lock slot and optional chassis e-locks provide physical threat security.

Built sustainbly to reduce carbon footprint

Optional Energy Star and optional EPEAT Silver certifications ensure you save money and reduce environmental impact. Plus, it is TCO certified and comes with optional TUV low noise certified on some configurations.

Lenovo services

Lenovo delivers tailored sustainability services, devices, and infrastructure solutions from our broad portfolio, working closely with you to support your target outcomes across the IT lifecycle..

On-site Service

If a problem can't be fixed remotely, we will visit your location Normally next business day service Agreed appointment times

Accessories

Lenovo Pro Stereo Wired VOIP Headset

USB or 3.5mm analog connection with integrated call controls

Skype for Business and Microsoft Teams certified HD noise-cancelling microphone

PN: 4XD0S9299

Lenovo Kensington MicroSaver Cable Lock

Cut-resistant cable lock to protect against device theft; 5ft/1.5m cable anchors to desk, table or any fixed structure

 \mathcal{O}_{λ}

Tamper-resistant, disk-style lock provides nearimpenetrable theft protection, but still allows users to pivot and rotate devices Fits a wide range of devices and docking solutions

based on the Kensington slot design. Dual head locks available to secure 2 devices to one cable
