

## Forward Vertical Cable Duct, 3 Inches Wide **SKU: FWD-VPCD-3X3-44-45**

---

At Middle Atlantic, we understand the importance of cable management in any installation. To help ensure simplicity and efficiency for all your installations we are excited to announce the Forward Family continues to grow with new a vertical cable management offering! Now featuring the Forward Vertical Cable Ducts for 44 and 45RU racks. These Vertical Cable Ducts mount tool-free in the BGR and SR Series racks because they are Forward Compatible! The cable ducts allow for the cables to be dressed vertical hiding the cables in the rear of the rack. Don't let your rack get out of hand, use the Forward Vertical Cable Duct to keep it tidy.

### Features & Benefits

- Because it's Forward it means 5x faster installations
- Drop-in installation into Lever Lock™ compatible rackrail brackets like on the BGR and SR Series racks
- Available in 3" width
- Allows for cables to be dresses vertical
- Mounting flexibility front to back along multiple rackrail bracket styles
- Slotted finger design allows cable exit exactly where needed
- Fingers can be easily removed to create larger openings
- Includes plastic covers
- Includes all hardware needed for any Middle Atlantic Products rackrail bracket style
