WARNING

- This product is meant to be assembled by an adult.
- In its unassembled state, small parts present a hazard.
- To be used under direct supervision of an adult.

This SCC-AC box contains the parts to assemble the backrest and desktop only. If you ordered the SCC100 or SCC200, you should also have an SCC102 **OR** SCC202 box.

Refer to the assembly instructions in the SCC102 or SCC202 box to assemble the bike before using this guide.

Dear Educator,

Thank you for purchasing the Self-regulation Classroom Cruiser. We hope it meets all your expectations and you and your students enjoy using it in your school.

If you have any questions, concerns or ideas on how we can improve please let us know by contacting our Customer Solutions Ninjas at 1-800-267-8494 or info@copernicused.com.

Happy teaching,

Kaylyn Belcourt
President

We do not inherit the
earth from our ancestors,
we borrow it from our
children.

Change is the end result
of all true learning.

Warning! Hazard Risks!

Please read the warnings below for important safety information regarding your product. Failure to read these warnings or to follow the instructions below could result in personal injury or damage to your product that could void your warranty.

**Small
Parts**

In its unassembled state, this product contains parts that can be hazardous to small children. This product should be assembled by an adult.

**Adult
Supervision**

This product is to be used under the supervision of an adult.

**Indoor Use
Only**

This product is intended for indoor use only. To reduce the risk of fire or electric shock, do not expose this product to rain or moisture. The internal components are not sealed from the environment.

Climb Hazard

Do not climb on, hang from or suspend objects from any components of your product unless otherwise specified.

We have included a multi tool for your convenience. If you have your own wrenches and screwdriver, the assembly of this product will be easier.

Tips for Assembly

Watch for These Helpful Symbols

This symbol denotes a 2-Person Task. For safety, please ensure that there are the suggested number of people working on steps displaying this symbol.

Watch for this symbol throughout the Assembly Guide. Wherever you see it, pay close attention. The symbol denotes a step needing extra attention to ensure it is done correctly.

The star symbol highlights an advisory note.

Before You Begin

- Lay out and identify all of the included parts.
- The hardware has been packed by step.
- Read the assembly guide over once to familiarize yourself with them.

Please note that in its unassembled state, this product contains parts that can be hazardous to small children. This product should be assembled by an adult.

As You Assemble the Unit

- Follow the steps in sequence.
- Before beginning each step, find the part(s) that you need for that step.
- Pay attention to the labels on the parts; they are there to help direct you at certain stages.
- The title of each step states what you will be doing. Review the text and the pictures as you build the unit.
