

Stereo Audio Aux Cable

Two 3.5 mm Male Plugs, 3 m (10 ft.), Gold-plated Contacts, Slim Design, Black/Silver

Part No.: 356008

EAN-13: 0766623356008 | UPC: 766623356008

Aux Cord - slim 3.5 mm stereo audio cable, male to male (M/M), with premium HiFi quality for brilliant sound

The Manhattan Stereo Audio Aux Cable connects any two devices with 3.5 mm stereo jacks: your phone to your car sound system, your laptop to your portable speakers, your tablet to your headphones and more. Thanks to its slim design, you don’t have to take your case off your phone or tablet to make the connection.

Perfect conductivity with Oxygen-free Copper (OFC) and gold-plated contacts

For best sound in HiFi quality, conductivity is everything because it maintains the integrity of the sound signals. To achieve maximum signal integrity, this cable comes with 24 karat gold-plated contacts and pure OFC wire. For additional physical durability, the cable's aluminum boots help withstand daily or on-the-go use and a lot of plugging/unplugging. The durable jacket with strain relief remains highly flexible in all connection scenarios.

Features:
