Product Warranty
Quick Reference

Notes:

To check the warranty on previously purchased products, please search the unit serial number using the Serial Number Lookup, visit: https://support.hpe.com/connect/s/?card=wc

Specific warranty terms and responsibilities can be found in the Warranty End User License Agreement (EULA). The EULA and other supporting documents are available on the HPE Aruba Networking Product Warranty page: https://www.arubanetworks.com/support-services/product-warranties/

For warranty requests received through Online RMA, phone and electronic cases, technical support will be provided during local HPE business hours for the entire warranty period for the purposes of initiating the RMA process.

The HPE Aruba Networking TAC delivery of service under warranty provides troubleshooting assistance for product conformance only.

To receive service from TAC for priority assistance, 24x7x365, troubleshooting and guidance with set up, configuration, interoperability or any additional advance technical troubleshooting, your product must have an active Foundation Care for HPE Aruba Networking support contract.

For complete details on TAC service delivery between warranty and a support contract, please visit: https://www.arubanetworks.com/assets/support/warranty_vs_support_comparison.pdf

To get a quote for Foundational Care for Aruba please contact your local partner or your HPE account manager. For details on Foundational Care for Aruba, visit: https://www.arubanetworks.com/support-services/
