DELL LATITUDE 7030 RUGGED EXTREME TABLET DOCKING STATION

Optimize your productivity in material handling, logistics, manufacturing and public safety with Gamber-Johnson's docking station.

Designed for the Dell Latitude 7030 10 inch Rugged Extreme Tablet, Gamber-Johnson's docking station helps professionals working in rugged environments face their daily work challenges with ease. Powered dual USB-A ports and USB-C port provide connections for scanners, printers, or other peripherals needed to support a mobile office environment and the patented latching design allows for fast docking and release to save time when taking the tablet out for work. This docking station accommodates OEM accessries like the tablet's hand strap or magnetic mount attachment allowing for uninterrupted productivity on the job. The keyed-lock provides added security and theft deterrence.
