

ASCENT

POS Terminal

The highly reliable and extremely versatile Ascent POS terminal is **the perfect solution for empowering transactions at the point of sale**. Compact and sleek, the Ascent adds a touch of style to any countertop. Whether retail or restaurant, supermarket or convenience store, the Ascent is powered by long-life 11th generation Intel processors that provide high performance and longevity for any application and use case. Extensive I/O, easy upgradeability and an assortment of bezel-attached peripherals deliver limitless configurability and flexibility. Retail-hardened and backed by Custom's three-year warranty, the Ascent is **built to withstand the rigors of any retail environment**.

CHARACTERISTICS

1. **Low-Profile and Versatile Design**
Whether oriented in landscape or portrait, the space-efficient and angular design presents an aesthetically pleasing look for any environment
2. **Performance and Longevity**
Long-life 11th generation Intel® processors give you the power needed to efficiently operate your business applications for years to come. Optional Windows 10 IoT and Windows 11 IoT (when released) operating systems ensure 10 years of OS-level support
3. **Rich I/O**
Onboard Ethernet, WiFi and Bluetooth and a host of retail-specific ports provide extensive device and network connectivity
4. **Simplified Service and Expansion**
Easy access to memory and storage compartments and a technician friendly front USB port simplify service and support and maximize uptime
5. **Modular Peripheral Support**
Bezel-mounted peripheral options allow you to seamlessly add device functionality to meet your specific needs
