

PRODUCT HIGHLIGHTS

Product	Special Features	Works With	Capacity	Max Speeds	RAID Modes	Rescue Data Recovery Services
LaCie Mobile Drive	Works with Windows & Mac, automatic backup	USB4, USB-C, USB 3.0,	1, 2, 4, 5TB HDD	130MB/s	–	3 years
LaCie Mobile Drive Secure	Works with Windows & Mac, password protection, automatic backup	iOS, Android, Thunderbolt 3, Thunderbolt 4	1, 2, 4, 5TB HDD	130MB/s	–	3 years
Portable SSD	SSD speed	iOS, Android, USB4, USB 3.0, USB 3.2, Thunderbolt 3, Thunderbolt 4	500GB, 1 & 2TB SSD	1050MB/s	–	3 years
Rugged SSD	NVMe SSD™ speed	Thunderbolt, USB-C, USB 3.0, USB 3.1	500GB, 1, 2, 4TB NVMe SSD	1050MB/s	–	5 years
Rugged SSD Pro	NVMe SSD speed with Thunderbolt 3	Thunderbolt, USB-C, USB 3.0, USB 3.1	1, 2, 4TB NVMe SSD	2800MB/s	–	5 years
1big Dock SSD Pro	Centralized docking station with cinema-grade memory card readers	Thunderbolt, Thunderbolt 2, Thunderbolt 3, SD, CFast 2.0, CFexpress slots DisplayPort 1.4	2 & 4TB HDD	2800MB/s	–	3 years
Rugged USB-C	Drop, splash, dust, crush resistance; integrated USB-C cable, optional: password protection	Thunderbolt 3, USB-C, USB 3.0	1, 2, 4, 5TB HDD Rugged Secure: 2TB	130MB/s	–	3 years
Rugged RAID Shuttle	Flat design, configurable RAID, password protection	USB-C, USB 3.0, Thunderbolt 3	8TB HDD	250MB/s	0, 1, JBOD	3 years
d2 Professional	Trusted family performance since 1997	TB 3, USB-C USB 3.0	4, 8, 10, 14, 16, 18, 20TB HDD	240MB/s	–	5 years
1big Dock	Professional desktop storage with docking station capabilities	Thunderbolt, Thunderbolt 2, Thunderbolt 3, USB-C USB 3.0 SD & CF slots DisplayPort 1.4	4, 8, 16TB HDD	280MB/s	–	5 years
2big RAID	Easy RAID configuration	Thunderbolt, Thunderbolt 2, Thunderbolt 3 USB-C, USB 3.0	4, 8, 16, 28, 36, 40TB	550MB/s	0, 1, JBOD	5 years
2big Dock	Centralized docking station & hub for your work station	Thunderbolt, Thunderbolt 2, Thunderbolt 3, USB-C USB 3.0 SD & CF slots Display port	16, 20, 28, 32, 36, 40TB HDD	490MB/s	0, 1, JBOD	5 years
6big	Huge capacity RAID system with small footprint	Thunderbolt, Thunderbolt 2, Thunderbolt 3, USB-C	24, 48, 60, 84, 108TB	1400MB/s	0, 1, 5, 6, 10, 50, JBOD	3 years & advanced replacement HDDs

RESCUE DATA RECOVERY SERVICES

Data is more than just 1s and 0s. It's the ideas you've believed in, chased, and nurtured. But unexpected disasters like water damage can occur. That's why our entire line of pro solutions include Rescue Data Recovery Services—no additional fee needed. If the worst happens, just call us and we'll do our best to help recover your data, potentially saving you thousands of dollars, with one in-lab recovery service.¹

The LaCie 6big also includes **Advanced Replacement**. If a drive fails, make a claim and receive a new unit in a few days, with 25 days to return the old one.

¹ Eligible for one (1) In-Lab Data Recovery attempt during the term of coverage. Not available in Russia.

EXTRAS

Adobe Creative Cloud

Edit with Adobe Creative Cloud

Turn RAW footage into flawless productions with a one-month complimentary membership to Adobe Creative Cloud All Apps plan.²

² One-month membership to Adobe Creative Cloud All Apps plan is redeemable during product registration. Must redeem within one year of drive registration. Not available in China. For country list see <https://adobe.ly/cc-countries>. Internet connection and Adobe ID required. Available only to users 13 and older. See <https://www.adobe.com/legal.html> for applicable terms and privacy policy.

When referring to drive capacity, one gigabyte, or GB, equals one billion bytes and one terabyte, or TB, equals one trillion bytes. Your computer's operating system may use a different standard of measurement and report a lower capacity. In addition, some of the listed capacity is used for formatting and other functions, and thus will not be available for data storage. Actual data rates may vary depending on operating environment and other factors, such as chosen interface and drive capacity. Seagate reserves the right to change, without notice, product offerings or specifications. SC5877-2010US

GUIDE 2023
EDITION 1

CAPTURE

Whether you're offloading photos in the countryside or reviewing files in the back of a taxi, our Rugged® portable drives are ready for the elements and the road ahead.

EDIT

Beastly capacity, fierce speeds, innovative features, time-tested reliability—our enterprise-class desktop solutions help you find your creative flow state, and stay there.

DELIVER

The fastest, easiest, and most secure way to share your projects with clients and teammates is with a shuttle drive that's sturdy enough to survive transport. We've got your back.

ARCHIVE

When it comes to growing your portfolio, we've designed solutions that deliver long-haul reliability, plenty of space, and fast access.

FOR THE ROAD

LaCie Mobile Drive

The nexus of portability, capacity. Encased in a sleek Neil Poulton design, each drive is constructed using at least 25% post-consumer recycled materials by weight. Works with PC, Mac, and iPad USB-C, just plug-in and go, plus up to 5TB of capacity makes plenty of room for photos, playlists, docs and more.

LaCie Mobile Drive Secure

Featuring password protection that works with Mac OS and Windows, the LaCie Mobile Drive Secure takes everything you love about the Mobile Drive and adds an extra layer of security. A little safeguarding for the files that mean the most to you.

Rugged USB-C

This drive marries legendary Rugged durability with next-gen USB-C performance. The result? A universally compatible drive that's ready for the road, and for anyone you might hand it off to. The 2TB version is also available with password protection: Rugged Secure

Rugged RAID Shuttle

Built flat for gear bags and shipping envelopes, Rugged RAID Shuttle offers huge capacity, easy-to-use RAID 0/1, universal compatibility, speeds of up to 250MB/s, and password protection to guard against unauthorized access.

Portable SSD

Experience fast editing, backups, and transfers with full-throttle read speed of up to 1050MB/s and write speed of up to 1000MB/s. Store high-res source files, images, and video, plus get universal compatibility across Mac®, Windows®, and iPad® devices with USB-C.

Rugged SSD

The perfect NVMe-boosted solution for filmmakers and DITs, featuring speeds of up to 1050MB/s, extreme IP67-rated water resistance, three-meter drop resistance, and password protection in a palm-sized USB-C drive.

Rugged SSD Pro

A palm-sized drive built for filmmakers and DITs demanding Thunderbolt 3 speeds of up to 2800MB/s, extreme water resistance, high drop and pressure resistance, and up to 2TB of space for ultra high-res workflow.

FOR YOUR STUDIO

Powerful Drives That Empower Ideas

LaCie solutions are powered by Seagate enterprise-class IronWolf Pro hard drives. That means zero bottlenecks and creative workflows that are consistently accelerated.

1big Dock

Store files, connect peripherals, and charge up with a powerful Thunderbolt™ 3 hub equipped with memory card slots, USB ports, and a high-performance enterprise-class drive.

1big Dock SSD Pro

Filmmakers and DITs rely on 1big Dock SSD Pro—a Thunderbolt 3 storage hub with accelerated NVMe SSD speeds and advanced docking power for optimized cinema-grade 8K workflows.

6big

Slash time off nearly every post production task with stellar capacity of up to 108TB and breakneck speeds of up to 1400MB/s.

d2 Professional

Since 1997, LaCie d2 storage has been so dependable, so finely calibrated for high-bandwidth tasks, that creative pros have been able to focus entirely on what they do best: creating.

2big RAID

Reap the benefits of RAID 0/1 with step-by-step setup, plus stay informed about drive and system health through email alerts. Enterprise-class drives have your back for the long haul.

2big Dock

Meet the high-capacity, lightning-fast docking station that pumps life into your workstation by offering loads of useful ports and ingesting SD and CF cards directly.
