

HP USB-C Travel Hub G3 (86S97AA)

Connect. Charge. Go

Add five essential ports to your notebook using this USB-C® Travel Hub. Sleek and compact, enjoy a superb mobile hub experience through scalable power delivery plus plug and play connectivity with almost any brand, device and operating system[1]. Maximize productivity wherever work takes you.

Small Hub. Big Connectivity

Expand one laptop USB-C® port[3] into five (USB-C x 2, USB-A x 2 and HDMI) connections, enough to support multiple devices and a single external display up to 4K resolution at 60hz[2]. Enjoy plug and play, universal connectivity with almost any brand or device[1], along with lightning fast 10 Gb data transfer speeds.

Maximum Compatibility, Minimum Clutter

Wherever you find yourself in the world, this super portable compact hub will work with what you're working with. Featuring multi-OS support[1] for Windows, MacOS, Chrome OS, iOS, and Android. Plug in almost any of your devices and keep your productivity charged up whenever and wherever you need it.

Scalable Power

This light weight and compact hub is not just portable, it's powerful. When you're on the go, carry one hub for pass-through connectivity and scalable power delivery to from your laptop's USB-C® type 65W, 90W, or high power adapter[4], or power the hub from your device's USB-C® port.

Featuring

Multi-OS Connectivity

Work across multiple platforms (Windows, MacOS, ChromeOS, iPadOS and Android) with just one USB-C® Travel Hub.

Plug and Play Portability

With a sleek, rugged design, this compact hub is a perfect travel companion so you can be productive from anywhere.

Built-In Protection

Built-in protections guard against excessive current, voltage and temperature. Secure firmware upgradability meets HP Secure FW requirement.
