### Three Products, Countless Possibilities

#### Three Products in One

When you don't know what you'll need to transport at any given moment, pick a lightweight backpack that gives you options. Three products in one, you can use the full laptop backpack, or separate the sleeve and included pouch when you want to travel light. The removable strap simplifies transport.

#### Endless Organization

Seize every day with a laptop backpack that keeps you organized on the go. The 27L total capacity includes a broad range of internal and external pockets across backpack, sleeve, and pouch.
