

V7 Y Training Cable Lead with Control Rocker Switch

BL-11+P

SKU: HZ6752

Training lead with 2 Quick Disconnect (QD) connectors allows for two headsets to operate with one amplifier for training/monitoring purposes. Both headsets can listen while the rocker switch allows the supervisor to control the microphone.

- Connects two headset tops to a single headset adapter for training purposes
- Compatible with V7, Plantronics, and JPL QD Corded Headsets
- Plantronics (PLX) compatible Quick Disconnect (QD) capability allows the headset to detach without losing the call
