## BUILT FOR VALUE AND QUALITY

- **Remanufactured OEM Cartridges**  
Environmentally friendly printing solution that keeps non-biodegradable materials out of landfills
- **Rigorous Quality Standards**  
Meet the national brand's print quality and page yield performance. They will not void the original equipment manufacturer's warranty
- **Now Offering MICR Toners**  
For accurate and secure check printing, use MICR toner with special bank-recognized ink to prevent errors and fraud
- **TAA (Trade Agreements Act)**  
All V7 Remanufactured cartridges are TAA-Compliant and eligible to win any U.S. GSA (General Services Administration) Schedule government contract
- **2 Year Warranty**
