# HP USB-C Travel Hub G3 (86T46AA)

## Connect. Charge. Go

Add five essential ports to your notebook using this USB-C® Travel Hub. Sleek and compact, enjoy a superb mobile hub experience through scalable power delivery plus plug and play connectivity with almost any brand, device and operating system[1]. Maximize productivity wherever work takes you.

**Small Hub. Big Connectivity**
Expand one laptop USB-C® port[3] into five (USB-C x 2, USB-A x 2 and HDMI) connections, enough to support multiple devices and a single external display up to 4K resolution at 60hz[2]. Enjoy plug and play, universal connectivity with almost any brand or device[1], along with lighting fast 10 Gb data transfer speeds.

**Maximum Compatibility, Minimum Clutter**
Wherever you find yourself in the world, this super portable compact hub will work with what you're working with. Featuring multi-OS support[1] for Windows, MacOS, Chrome OS, iOS, and Android. Plug in almost any of your devices and keep your productivity charged up whenever and wherever you need it.

**Scalable Power**
This light weight and compact hub is not just portable, it's powerful. When you're on the go, carry one hub for pass-through connectivity and scalable power delivery to from your laptop's USB-C® type 65W, 90W, or high power adapter[4], or power the hub from your device's USB-C® port.

## Featuring

**Multi-OS Connectivity**
Work across multiple platforms (Windows, MacOS, ChromeOS, iPadOS and Android) with just one USB-C® Travel Hub.

**Plug and Play Portability**
With a sleek, rugged design, this compact hub is a perfect travel companion so you can be productive from anywhere.

**Built-In Protection**
Built-in protections guard against excessive current, voltage and temperature. Secure firmware upgradability meets HP Secure FW requirement.
