Poly Voyager Free 20 Black Earbuds +Basic Charge Case Customer Special 1 (A28PXAA)

Overview

Pure sound, less noise

Experience the simplicity of a true wireless earbud that powers your day. Adaptive ANC keeps you focused while Poly legendary audio makes your music and calls sound great. And personalized all-day comfort keeps you feeling good.

Powerful sound, adapted to you

Never miss a beat. High-powered speakers with Adaptive Active Noise Canceling (ANC) reduce distractions around you so you can enjoy rich, immersive audio.

Style and all-day comfort

An elegant, discreet design fits your style wherever you go. Use the Poly Lens app to easily find the right fit for ultimate comfort.

Speak with confidence

Share your ideas clearly with a 2-microphone beam forming array plus a 3rd mic that activates in windy conditions. And with AI noise reduction the far end hears more you, and less background noise [1].

Features

Tune out distractions

Adaptive Active Noise Canceling (ANC) automatically tunes out the right amount of unwanted noise in your surroundings so you can move around freely when listening to music or making calls.

Hear every beat

Poly brings decades of audio expertise and innovation to delivering rich, natural sound. Powerful 10 mm speakers bring your music and conversations to life, ensuring you never miss a moment.

Enjoy clearer calls

Make every conversation shine, no matter where you are. Each earbud has 3 noise-canceling mics that join forces with an AI machine-learning algorithm that intelligently recognizes and reduces background noise to enhance call clarity.[1]

Multipoint connectivity

Enjoy a streamlined audio experience with quick and easy device pairing. Connect to two devices at once and seamlessly move between them as you take calls or listen to music.

Power through the day

Listen for up to 8 hours and carry extra power in your pocket. The sleek charge case supports Qi wireless charging and has enough juice to extend your listening time up to 28 hours. Just 10 minutes of charging gives you an extra 2 hours of music.

Comfort that fits your style

No-compromise comfort and style, in Black, so you can listen discreetly anywhere. Four ear tip sizes and the Poly Lens mobile app to personalize your fit for comfortable all-day listening.
