Designed for Quick Access

Streamline your security experience with a travel laptop backpack that provides easy access to all your belongings. The 180-degree opening lets you quickly grab whatever you need in the moment—laptop[1], toiletries, liquids, accessories, and more.

Protection on Multiple Levels

This backpack is built for the long haul with durable, water-resistant[2] 750D recycled polyester. Padded compartments safeguard your laptop[1] and accessories from bumps and bruises, while the RFID-blocking pocket and lockable, anti-puncture zippers[3] deter theft.

Featuring

Traveling Convenience

Conveniently and securely attach your travel laptop bag to your rolling luggage for easy transport.

Rise Above Bumps

The padded floating laptop pocket is elevated to prevent your PC from directly hitting the floor when you set the bag down.

Protection for Peace of Mind

Protect credit cards and other sensitive information with a dedicated RFID-blocking pocket. Secure your stuff with a puncture resistant double-coil, lockable zipper. [3]

Easy Access

180-degree zippered opening simplifies packing and offers fast, easy access to your belongings at airport security checkpoints.
