

# HP Travel Plus 15 Liter 14 Laptop Bag (A2CE2AA)

## Overview

### Your Ultimate Travel Companion

Simplify your journey with one bag that meets all your travel needs. This durable, thoughtfully designed bag keeps you organized—from packing through the airport and beyond. Multiple compartments enable easy access for airport security convenience.

### All Things Organized

Stay organized with three compartments and multiple pockets, including two quick access pockets, for all your essentials. Expand the capacity from 15L to 20L to fit everything you need for your business trip—tech, clothing, packing cubes, and more—in one bag.

### Protection on Multiple Levels

This bag is built for the long haul with durable, water-resistant[2] 750D recycled polyester. Padded compartments safeguard your laptop[1] and accessories from bumps and bruises, while the RFID-blocking pocket and lockable, anti-puncture zippers[3] deter theft.

### Designed for Quick Access

Streamline your security experience with a travel laptop bag that provides easy access to all your belongings. The 180-degree opening lets you quickly grab whatever you need in the moment—laptop[1], toiletries, liquids, accessories, and more.

### Built for a Better Tomorrow

The better choice for a brighter tomorrow, the HP Travel Plus 15L 14-inch Laptop Bag is made with at least 60% post-consumer recycled materials (39 plastic bottles).[4] Plus, it comes with FSC®-certified packaging.[5]

# Features

## Traveling Convenience

Conveniently and securely attach your travel laptop bag to your rolling luggage for easy transport.

## Rise Above Bumps

The padded floating laptop pocket is elevated to prevent your PC from directly hitting the floor when you set the bag down.

## Protection for Peace of Mind

Protect credit cards and other sensitive information with a dedicated RFID-blocking pocket. Secure your stuff with a puncture resistant double-coil, lockable zipper.<sup>[3]</sup>

## Easy Access

180-degree zippered opening simplifies packing and offers fast, easy access to your belongings at airport security checkpoints.

---

[1] Fits most laptops up to 14 inches.

[2] Supplier tested for water resistance on exterior fabric coating.

[3] Applies to zipper on laptop compartment. Lock sold separately.

[4] Recycled plastic is expressed as a percentage of the total weight plastic. Post-consumer recycled is based on the definition set in the EPEAT® standard for computers, IEEE 1680.1-2018 standard. Calculation based on grams per product (using 12.7 grams per 16.9 ounce “single serve” bottled water container) multiplied by projected shipment volumes/ 12.7 grams.

[5] Forest Stewardship Council® (FSC) Certified, meaning all components of our packaging come from responsibly managed forests to provide environmental benefits.
