69-680E-11	2X-Large

Applications

- Construction
- Carpentry
- Warehouseing
- Low weight sharp parts handling
- General purpose
- Manufacturing

Packaging:
6 pairs x 8 bags = 48 pairs per case

Features

- Our sustainable Ronco Earth cut resistant gloves, containing recycled PET plastic, are certified to the Recycled Claim Standard (RCS).
- These gloves are produced by using materials certified according to STANDARD 100 OEKO-TEX and meet the human-ecological requirements of the STANDARD 100 OEKO-TEX.
- Glove is made with 19% Recycled PET by total glove weight, containing 9 grams +/- 2% of recycled material and conserves 12.4 gm CO2 per pair versus equivalent gloves made with virgin yarn.
- Each pair contains the rough equivalent recycled material of 0.9 x 500 ml water bottle.
- HPPE/Recycled PET composite liner provides basic cut protection and good abrasion protection in a thin profile.
- Light and flexible PU palm coating enhances grip, provides abrasion resistance, and extends glove life.
- Ergonomically formed 13 gauge soft, flexible & breathable liner with compatibility to hand contours.
- Flexible knit wrist construction conforms to the hand and keeps dirt out of glove.
- Machine washable and re-usable for more cost-efficiency.

Storage & Handling

Store in original packaging at room temperature under roof, away from direct sunlight and moisture. Machine wash in cool or warm water and hang to dry.

CAUTION: Note that this product is cut resistant and not cut proof. Avoid moving or serrated blades.
