**Emergency Care Kits and Cabinets for Federal,
Provincial and Territorial Regions of Canada**

First Aid Central is your Smart Choice for Emergency Care.

First Aid Central has been a trusted provider and manufacturer of first aid kits and safety supplies for over 15 years, covering industries of all sizes. We have been helping Canadian businesses stay compliant with federal and provincial first aid and safety regulations in their facilities as well as in aerial, marine or mobile operations. First Aid Central holds a Medical Device Establishment License issued by Health Canada. This license helps to ensure that certain regulatory requirements and procedures are in place with regards to the medical products we offer. This builds on our commitment of offering quality first aid products that are both safe and effective as we continually strive towards excellence and customer service.

With our years of experience and our full line of quality Canadian made first aid and safety supplies, you can count on us to help keep your employees safe in a workplace that is compliant with federal and provincial first aid and safety regulations.

First Aid Central, it's in the name.

Ontario Regulation First Aid Kits

Province of Ontario

Employers in Ontario that are covered by the Workplace Safety and Insurance Act are required to equip their workplaces with first aid kits that meet the Occupational Health and Safety Act's Regulation 1101 first aid kit requirements. First Aid Central's complete line of Ontario first aid kits help keep employees safe and ensure that WSIB first aid requirements for your workplace are met. The type of Ontario first aid kit required is determined by the number of employees on shift at any given moment as per the guide below. CSA Regulation kits are now also accepted in Ontario.

Yukon Regulation First Aid Kits

Territory of Yukon

Business owners in Yukon are required to provide first aid kits at their workplace that meet Yukon Occupational Health and Safety Act requirements for first aid. The type and number of first aid kits required, depends on the number of workers in the workplace at any time, the hazard level of the work and the distance to a medical facility. First Aid Central Yukon first aid kits provide the necessary first aid supplies to keep employees safe and ensure your workplace meets Yukon Occupational Health and Safety first aid requirements.
