REINFORCED GUMMED TAPE

High grade paper reinforced with strong fibreglass yarns available in White and Kraft. Electric and Manual Dispensers available. Call your Sales Consultant for a demonstration unit.
Key benefits include:
· Secure bond: secures faster than other fibre tape
· Superior strength: fibre glass yarns seal cartons with extra strength
· All weather use: works in extreme hot or cold
· Takes on the dust: patented starch-based adhesive absorbs dust and bonds securely to the carton (sealing the seam also acts as a dust barrier)
· Environmentally-friendly: non-cellulose materials can be removed for easy recycling
· Pilferage proof: fibre will be irreparably damaged upon tape removal
