We are pleased to announce that our Morpheus 360 *Sanctuary Wireless Noise Canceling UC Headset with Charging Dock HS6750ANC* has been selected as the winner in this year's CES Picks Awards for the Best New Wireless UC Headset category.

The award recognizes the very best technology products either on display at CES or launching during the show dates. Our product was judged based on its feature set, innovation, perceived value and accessibility, following which it was deemed to be a standout within the category and selected as a winner.

We are thrilled to have won this award, if you would like to learn more about our award-winning products, please visit our website at www.morpheus360.com
