

DELL LATITUDE RUGGED LAPTOP DOCKING STATION

Engineered for the demanding work environments in utility, public safety, and material handling

Gamber-Johnson's new versatile Dell Latitude Rugged Laptop docking station is designed to accommodate the Dell Latitude 12 and 14 Rugged and 14 Rugged Extreme computers; front hooks can be adjusted in seconds to accommodate the various Latitude models.

The Dell Latitude Laptop dock features a convenient front-facing docking/release latch. Utilize the front-facing USB and AUX/MIC ports for temporary access and connect your printer and other peripherals permanently to the rear-facing ports and secure with the integrated cable restraint system.

Secure your Dell Latitude laptop in the docking station with the keyed lock when you are away from the vehicle. Mount the docking station using the Vesa 75 mounting pattern and utilize Gamber-Johnson's mounting equipment with the Dell Latitude dock to create an ergonomic vehicle office for any application.
