

RGB LED Wired Optical USB Mouse

USB-A, Five Buttons with Scroll Wheel, 12800 dpi, 1.5 m (5 ft.) Cable, Adjustable Color-LED Lighting Modes, Transparent

Part No.: 190381

EAN-13: 0766623190381 | UPC: 766623190381

Corded 5-Button RGB Colored Mouse with ultra-precise 12,800 dpi and switchable light modes

The Manhattan RGB LED Wired Optical USB Mouse is your attractive blend of style and functionality. Its transparent shell on a sleek silhouette showcases its components, while the colors change in vibrant RGB light and adjustable 6 modes. Should you prefer a dark mode now and then, you can also turn them off completely.

Just the right size

With a full-size shape of 12 cm (5 in.) length, this mouse offers a more comfortable grip than a mini mouse but is still compact enough for small laptop-bag pockets.

Thumbs up for thumb controls

Navigate effortlessly between folders or web browser pages using the large Back/Forward thumb buttons. A quiet scroll wheel with great tactile response glides smoothly through long lists.

Advanced, ultra-high-precision tracking with up to 12,800 dpi

The high-performance optical sensor provides great accuracy for effortless
