

# ELPCB03N

PowerLite® Pilot™ 3R Connection and Control Box

**Projector A/V control box for optimized connectivity in the classroom.**

**Centralized A/V control box** — manage your Epson classroom projector (power, A/V Mute, volume, sources); no remote control needed

**Easy operation** — large, individual source buttons intuitively match Epson projector inputs

**Consolidated cable management** — convenient wall placement helps avoid potential trip hazards

**Optimized for connectivity** — 3x HDMI® control buttons to select the source from connected high-definition A/V devices

**Split Screen support<sup>1</sup>** — connect two devices and use your projector to simultaneously project two images (video or still) side-by-side

**Increased flexibility** — use as an extension box to expand the range of your cables

**Remote volume adjustment** — easily control projector audio from the front of the room via the volume dial and audio mute button

**Simple installation** — quickly and easily attaches to the wall

**Sleek design** — protective cable cover and pen holder included

**Industry-leading, service and support** — 2-year limited warranty, Epson dedicated toll-free support
