C2G

500ft (152.4m) 28AWG 4-Conductor Silver Satin Modular Flat Telephone Cable Reel

Part No. CG-07192

Silver Satin cable is the ideal solution for voice and low speed data applications such as data transfer, phone connections and some serial connections. The flat compact design works well for applications where space is limited. For field installations this cable can be terminated with RJ11 or RJ12 modular plugs using a standard modular crimping tool. Available in a 500ft or 1,000ft spool.

Features & Benefits

- Ideal solution for voice and low speed data applications
- Flat compact design for applications where space is limited
- Can be terminated with RJ11 or RJ12 modular plugs

Specifications
