

## 24 oz Dura-Pro Cut-End Mop - Narrow Band - Blue

Perfect for low-usage in buildings without washing machines, like in the foodservice industry. Ideal when a price sensitive and reasonable quality mop is required.

The Dura-Pro Cut-End Wet Mop is a cost-effective solution for your floor cleaning needs. This mop is made from a durable blend of synthetic and rayon fibers. It has cut-ends for maximum absorbency. It is a great low-usage mop in areas such as foodservice establishments. If you need a low-cost option for basic floor cleaning, this mop is an excellent choice.

This mop with its narrow headband is compatible with the [SNAP-2-GO Wet Mop Handle](#) and the [STEP-N-GO Wet Mop Handle](#). Use it with a [down press wringer](#) or a [side press wringer](#) for maximum water extraction.
