Professional Wireless Rechargeable Combo Keyboard and Mouse*

All-In-One productivity. Made green.

The Lenovo Professional Wireless Rechargeable Combo Keyboard and Mouse* is a revolution in productivity and design. Its full-size keyboard features scissor switches that create an elevated typing experience. Its mouse, marvelously crafted from bio-rubber, keeps you comfortable all day and is equipped with an impressive 4,000 DPI sensor. Plus, both the keyboard and mouse are made from eco-friendly 65% recycled material that protects the environment.

Why you need Lenovo Professional Wireless Rechargeable Combo Keyboard and Mouse*

Rechargeable by necessity.

Never change another battery thanks to the USB-C rechargeable design of this keyboard and mouse combo that delivers up to 3 months of battery life. Add auto-sleep, on/off buttons, and status lights, and getting the most from your peripherals becomes effortless.

Productive by design.

Enhance your workflow with the unmatched capabilities of a 3-zone full-size keyboard and a bio-rubber coated mouse sporting 5 programmable buttons plus dynamic scrolling technology. Add 3 device pairing via a unified pairing receiver or Bluetooth® and you've got the tools you need to defeat the day.

Sustainable by nature.

We care about planet Earth. That's why we use 30% ocean-bound plastics and FSC-certified paper in our packaging, plus 65% post-consumer recycled material for the keyboard and mouse.

* The Keyboard with Copilot Key, the Copilot in Windows is an AI-powered intelligent assistant. When Copilot is not available or enabled on the device, pressing the Copilot key will launch Windows Search.
