ProductSheet

Poly Studio V12 USB Video Bar No Radio w/USB-C 65W Power Adapter and Power Cord GSA/TAA (B95SNAA)

Conferencing made simple

The Poly Studio V12 USB video bar has you covered for successful conferencing in any small room. Users will feel empowered when walking into BYOD rooms with superior AI-driven AV capabilities, simple deployment and centralized management.

A smarter way to collaborate
Equip your small meeting spaces with a USB video bar that boasts a 20MP 120° FOV camera built with impressive image quality. Smart camera and audio technology power meeting equity, ensuring a smoother hybrid meeting.

Small room, simple setup
Simplify deployment by choosing a power method that fits into your room. Compatible with leading platforms and equipped with built-in speaker, microphone, and camera, this video bar is quick to set up and easy to use.

Enterprise-grade management
Poly Lens remote device management gives you better visibility into workspaces across the entire organization. With multiple ways to manage, IT professionals can remotely monitor, update, and troubleshoot Poly devices on their own terms.
