

HP 140W USB-C Laptop Charger (B7NK0AA)

Power that keeps up with you

Fuel your most demanding workflows reliably and efficiently. Boasting up to 140W of power output,[1] this thoughtfully designed USB-C® charger is tested with HP laptops[2] to ensure it can safely meet the demands of your day. Work wherever with a portable design.

Smart, powerful charging

Meet the demands of your high performance devices. This charger delivers up to 140W of power, [1] with fast charging to keep you productive. Its dynamic design adjusts output automatically to ensure that power is always optimized to your device's needs.

Portable power

Stay powered up, whether you're home, in the office, or on the go. This portable charger comes with a detachable power cord for easy transport and extended reach. Plus, it's compatible with most USB-C® devices, both HP and non-HP.

Work safely, anywhere

Charge with confidence with built-in surge, overcurrent, overtemperature, and overvoltage protection. Tested with select HP laptops[2] and compliant with the latest IEC 62368-1 safety standard, this charger ensures safe power, even with heavy usage.
