Lenovo Wireless Multi-Mode Pro Combo Keyboard and Mouse 6000

One silent combo. Maximum productivity workflows.

This is more than just a keyboard and mouse. Every keystroke feels quiet and fluid on a keyboard sculpted for all-day typing. The Silent mouse is smooth, ambidextrous, and crafted to melt into the shape of your hand. Plus, you can connect to up to three devices via Bluetooth® 5.3 and 2.4 GHz effortlessly. When combined, these features help you focus without friction.

Why you need the Lenovo Wireless Multi-Mode Pro Combo Keyboard and Mouse 6000

Silent productivity

Built for silent, efficient office workflows, this combo transforms marathon work sessions into moments of pure creativity. Quick-access keys and programmable mouse buttons put power at your fingertips, crafted to meet the demands of your high-performance workday.

Perfect connectivity

Switch between three devices with dual connection options—Bluetooth® 5.3 or Lenovo's Pro Unified Pairing Receiver. Even in high-interference environments, your connection stays stable. AES 128-bit encryption protects every stroke and click. Compatible across all major platforms, this combo is the definition of simple integration.

Enduring Performance

With up to 36 months¹ of battery life and a durable build tested to Lenovo's highest standards, this combo was made to last. And with a 3-year warranty, you get peace of mind from day one. This is more than a tool—it's a quiet partner in your everyday brilliance.

¹ May vary depending upon the usage.

* Phone stand sold separately.
