ProductSheet

Poly RealPresence Group 500 Video Conferencing System with EagleEyeIV 12x (89L72AA)

Powerful video collaboration

The Poly RealPresence Group 500 solution is ideal for small to large conference rooms and other collaborative spaces. High-performance video and audio with interactive content bring users closer together and drive meaningful conversations.

Meeting space flexibility
Meet the needs of each conference room with flexible camera and accessory options for the best user experience and cost-effective deployment. And the compact, sleek design is easily hidden out of sight, keeping your rooms clutter-free.

Featuring

Quality audio and video
Teams will enjoy the powerful video and audio performance with interactive content collaboration so everyone can view and share without compromise.

Easier collaboration
Everyone, including offsite participants, benefit from the flexible, interactive content collaboration so teams can work more closely together.

Built-in interoperability
Built-in interoperability unlocks access to the highest quality in-room collaboration experience for Video-as-a-Service (VaaS) customers.
