

## USB4® 80Gbps Cable

Part Number: K32301WW | UPC Code: 0 85896 32301 3

Trusted  
connectivity for  
USB-C® docks.

IT professionals managing a variety of USB-C® docks often face productivity challenges due to lost, damaged, or unreliable third-party cables.

The USB4® 80Gbps Cable with up to 240W Power Delivery offers a reliable solution, ensuring seamless connectivity with Kensington USB-C® docking stations. Its universal compatibility allows for effortless integration across multiple setups, minimizing compatibility issues.

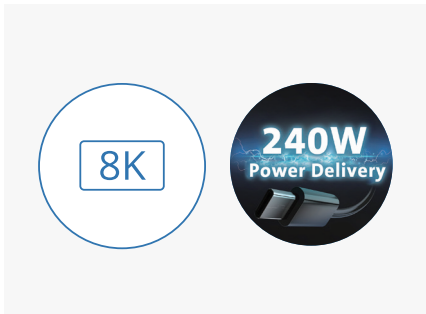

Rigorously tested for performance, this high-quality cable is the ideal replacement for lost or damaged cables, fully supporting the data, video, and power demands of diverse USB-C® environments.

Features include:

- Up to 8K video, 80Gbps data transfer, and 240W charging for host devices
- Supports USB4® and USB-C® devices running Windows, macOS, and ChromeOS
- Verified and tested to work with Kensington USB-C® docking stations
- 1.5m (4.9ft) cable
- USB-IF certified for performance and reliability
- 2-year limited warranty

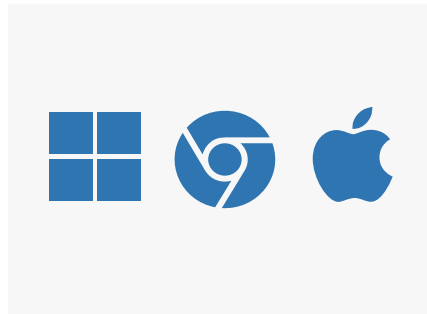

## USB4® 80Gbps Cable

Part Number: K32301WW | UPC Code: 0 85896 32301 3

### Ultra-Fast Connectivity with USB4® Technology

Supports up to 8K video, 80Gbps data transfer, and 240W charging for host devices. For optimal compatibility, ensure your host devices support DisplayPort™ Alt Mode over USB-C® for video output and Power Delivery (PD 3.1) for charging.

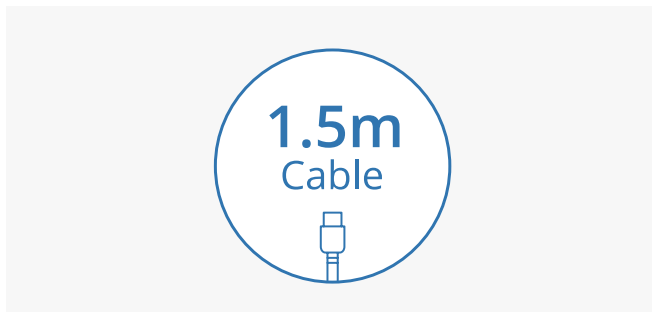

### Universal Compatibility

Supports USB4® and USB-C® devices running Windows, macOS, and ChromeOS.

### Verified & Tested

Rigorously tested to work seamlessly with Kensington USB-C® docking stations.

### 1.5m USB4® Cable

The cable accommodates various setups, including docks mounted behind monitors.

### USB-IF Certified

Meets stringent industry standards for performance and reliability, guaranteeing compatibility across devices and delivering optimal data transfer, video quality, and charging capabilities.

Part Number: K32301WW | UPC Code: 0 85896 32301 3

### Hardware

Cable Jacket Type	TPE
Cable Shield Type	Aluminum
Connector Plating	Nickel Plated
Fire Rating	UL94V-0
Number of Conductors	24
Connectors	USB-C®

### Physical Characteristics

Cable Length	1.5m / 4.92ft
Cable Outer Diameter	5.5mm
Color	Silver/Black
Connector Style	Straight
Weight of Product	90g
Wire Gauge	28AWG silver-plated copper single-core coaxial cables 34AWG tinned copper stranded coaxial cables 24AWG tinned copper stranded wires 34AWG tinned copper stranded wires

### Country of Origin and Warranty

Country of Origin	China
Warranty	2-Year Limited - Worldwide
