

## Sonic™ Armless Chair, Polypropylene Seat & Back, Wall Saver Frame (6508WS)

Sonic is ideal for meeting rooms, office guest seating, food facilities, lecture halls, and just about anywhere.

- Sonic offers a wide range of models including guest chairs with or without arms, on four legs, sled bases or casters. Counter and bar height stools, task chairs, left or right tablet arm options and a beam seating solution round out the series.
- Backs are available in polypropylene, mesh or upholstered options. Seats can be specified in either polypropylene or with an upholstered seat cushion for added comfort.
- The molded polypropylene seats and backs are now available with matching arms in a variety of colors and black. Choose a contrasting or coordinating eco-friendly painted frame finish, or opt for the timeless elegance of a Chrome frame.
- The molded seat and back offer exceptional durability and ease of cleaning, while the breathable mesh back provides additional flexibility and comfort.
- Choose from all plastic, plastic back with upholstered seat or fully upholstered models.
- Polypropylene seat and backs are available in a wide selection of designer colors.
- Mesh backs are available in black only.
- Tablet arm is extremely durable with a solid steel Chrome frame and surface comes standard in Black polymer.
- Tablet arm flips up to allow ease of entry/exit. Tablet also slides forward and back to accommodate any user comfortably. Tablet

models do not stack.

Dimensions: W21.5 x D21.5 x H33 IN.
