

6ft (1.8m) Dual-Display KVM Cable, HDMI and DisplayPort to DVI and DP, USB 2.0, 3.5mm, Universal Combo Cable for KVM Switches, TAA

**Product ID:** SKDVI2HDDP06MMKVM06T

This 6ft (1.8m) KVM cable provides a reliable connection between a DisplayPort and HDMI-enabled computer and a DisplayPort and DVI-enabled KVM switch, with USB 2.0 and 3.5mm audio support.

Simplify cable management by combining multiple connections into a single bundle. This minimizes the number of individual cables that need to be handled, making installation faster and more efficient. They are perfect for environments where KVMs are essential, such as data centers, server rooms, edge networking, and remote management setups, helping to reduce cable clutter and maintain an organized workspace.

This KVM cable works with any operating system, including Windows, macOS, ChromeOS, and Linux. It also supports all major hardware platforms, such as Intel, AMD, and Apple Silicon.

Engineered for secure, reliable performance in mission-critical environments, these cables are ideal for command centers, defense operations, and healthcare facilities, ensuring seamless connectivity where it matters most.

## Certifications, Reports and Compatibility

## Applications

## Features

- **KVM Combo Cable**: Connect an HDMI + DisplayPort computer to a multi-monitor DVI + DisplayPort KVM

switch with USB and audio support; It's ideal for desktop workstations and setups where clean cable management and switching between systems are essential

- **Optimize Cable Management**: Combines HDMI, DisplayPort, USB 2.0, and 3.5mm audio into a single bundled cable, reducing setup complexity and streamlining installation for a cleaner, more efficient workspace
- **Universal Compatibility**: Works with any DisplayPort + HDMI KVM featuring USB 2.0; OS independent, supporting all operating systems including Windows, macOS, ChromeOS, and Linux; Compatible with all hardware platforms such as Intel, AMD, and Apple Silicon
- **TAA-Compliant KVM Cable**: Engineered for secure, reliable performance in mission-critical environments, these cables are ideal for command centers, defense operations, and healthcare facilities, ensuring seamless connectivity where it matters most
- **The IT Pro's Choice**: Designed for reliability and compatibility with our Secure KVMs, our KVM Cables are lab-tested and field-proven for seamless integration and maximum uptime, and are backed by free, lifetime, 24/5 multilingual technical assistance

**Physical Characteristics**

Cable Length	6.0 ft [1.8 m]
Product Length	6.0 ft [1.8 m]

Product Width	2.4 in [60 mm]
Product Height	0.6 in [15 mm]
Weight of Product	0.2 lb [0.1 kg]

---

**Packaging  
Information**

Package Length	5.4 in [13.8 cm]
Package Width	15.6 in [39.5 cm]
Package Height	2.0 in [5.1 cm]
Shipping (Package) Weight	15.2 oz [432.0 g]
