

HEAVY-DUTY FLOOR CLEANER

Liquid Cleaning Chemical Pacs

100% Dissolvable

Dissolving cleaning pacs go easy on your budget AND the planet.

A concentrated floor cleaner formulated to be used as part of a daily maintenance program. Thoroughly cleans dirt and traffic soils including black heel marks. Its unique formulation is mild enough for daily cleaning, yet effective for deep scrubbing at stronger dilutions.

Directions: Always add ChemPac to tank or mop bucket first then add warm or hot water.

Daily Cleaning: Use 1 ChemPac per mop bucket or small tank, 2 ChemPacs for large tanks. Agitating the ChemPac with the water stream will improve mixing. Wait one minute. Apply solution to surface with mop or scrubbing machine. Pickup dirty solution with a squeegee and pickup pan, vacuum or mop. Rinsing is not necessary. Add an extra Pac for heavy soil.
