

GRMVCH

1U Multi-Way Cable Management Ring

The 1U Multi-Way Cable Management D-Ring (GRMVCH) is a highly effective and versatile rack-mountable solution engineered to optimize cable organization within your server or network rack.

Features

- Occupies just 1.5U of rack space.
- Multi-way D-Ring design allows for flexible cable routing in multiple directions.
- Many mounting angles offer enhanced setup flexibility for diverse cable pathways.
- Prevents cable obstruction that can hinder equipment cooling.
- Durable construction and built for long-lasting performance in server environments.
- Provides cleaner and more professional rack appearance.
- Universal compatibility designed to fit standard 19-inch server racks.
- Backed by a 3 Year Limited Warranty.

Requirements

1.5U of Rack Space for installation. **Mounting to Square Cage Holes:**

- Cage nuts will be needed along with the Screws and washers. (#12-24 Cage Nuts and Screws included)

Mounting to M5/M6 Threaded Holes:

IOGEAR.COM
