Custom Sourcing

Work with DORFIN.... Let us be your global sourcing partner!

You have mastered your industry, and know your products better than anyone. Let our sourcing experts concentrate on expanding your global network to maximize your profits.

We source products through established relationships with domestic and international suppliers. We continuously source globally for new relationships with factories around the world. Our team will meet with you to collaborate and analyse your project to create the best possible solution. In other words, we'll do what you require and surpass your expectations.

We understand that all customers are unique, and that their needs can even differ within each division of their organization. Dorfin offers the resources to create personal concepts for our clients based on their specifications, so our clients receive made-to-order solutions. Once sourced and customized, our art house will design the packaging for your private label or brand.

With over 60 years of experience we have developed an expertise in overseas sourcing that allows us to ease the purchasing and logistic process and assures quality control that will meet the most rigorous specifications.

- We work with retailers and source customized products for resale.
- We work with the food service industry to develop products for use in their food service facilities.
- We work with distributors in the packaging industry to source customized products for them to resell to their customers.
- We ensure our customers are offered turnkey solutions for their custom sourcing needs.

EDI

Dorfin offers its trading partners all of the benefits of eCommerce, including an information-rich web site with on-line ordering, product inquiry and account verification, EDI (electronic data interchange), and e-mail. We look forward to partnering with our customers in any way convenient to you, using the latest standards to enhance the efficiency of doing business. Please call our customer sales and service department for details or visit us on the web at www.dorfin.com.

TERMS AND CONDITIONS

Ordering :

To ensure accurate receipt of what you are ordering, please specify page number, product codes, stock numbers, and description including colour, size and thickness.

Pricing :

Pricing does not include all applicable taxes. Pallet charges are extra.

FOB's :

Our FOB policy for Montreal, Ottawa, Toronto, Quebec City and the Eastern Townships is subject to a minimum dollars amount and product mix. Orders under minimum are shipped collect or prepaid and charge.

Payment :

Visa and Master Card are gladly accepted. For customers who wish to have an open account status, please call us or e-mail us and we will be happy to fax or e-mail you a credit application form. Upon receipt of favourable information concerning the credit verification, your account will be opened. Our terms are net 30 days.

Shipping :

Please specify if we should ship complete, or in part, in the event of a back-ordered item(s). If you prefer that we cancel any back ordered items at time of shipment, please specify this at time of order.

Returned Merchandise Procedure:

The buyer must contact Dorfin's customer service department for a returned merchandise authorization and shipping instructions prior to returning any products. All returns must be shipped prepaid, in reasonable condition, in original carton(s) where applicable and are subject to issuance of a credit or refund. Handling charge could be 20% or more depending upon the circumstances. No returns will be accepted after 30 days. Customized goods are not returnable unless deemed to be defective or not as ordered.

Gloves

- AQL 1.5 - Food & Industrial Grade
- Non sterile
- Powder free
- High tear and puncture resistance
- Ambidextrous
- Superior strength

- AQL 4.0 - Food & Industrial Grade
- Non Sterile
- Powder free
- Ambidextrous
- Superior strength

- Thermoplastic Elastomer (TPE) is similar to rubber. Rubber is a thermoset, meaning all the chains of molecules are interconnected creating a large macromolecule. This improves the recovery of the material which is why rubber keeps its shape. TPE, instead, has the molecular chains tied together without the interconnects. This provides properties similar to rubber, but makes it RECYCLABLE / REUSABLE unlike rubber
- A great alternative to Vinyl Gloves. The Thermoplastic Elastomer Glove is a cost saving product when compared to traditional vinyl food service gloves. They maintain more durable strength than poly gloves and offer affordability when compared to vinyl gloves.
- TPE material has superior physical properties, soft-touch & high elasticity
- Excellent oil resistance, weather resistance & aging resistance
- For hygienic use in market segments including: Food processing, Manufacturing, Retail, Grocery, etc.
- Latex Free
- Embossed
- Ambidextrous

Anti-Fatigue Matting

- Provides retail workers with the comfort cushioning they deserve while standing
- long hours at a time
- Ergonomically designed guaranteed reduction of back, leg, foot and ankle fatigue
- Immediate increase in productivity and employee morale due to work place comfort
- Dramatically reduces worker fatigue
- Promotes employee wellness
- Certified slip-resistant by the National Floor Safety Institute
- Closed-cell Nitrile/PVC cushion backing provides long-lasting comfort without breaking down
- Rubber border remains flexible for the life of the product and will not crack or curl

Code	Description	Case	Pallet
3147100	Hog Heaven - Anti-Fatigue Mat - 3' x 5' - 5/8" Thick - Black	1	4
3147105	Hog Heaven - Anti-Fatigue Mat - 4' x 6' - 5/8" Thick - Black	1	4

Entrance Matting

- Unique 100% polypropylene ridged construction effectively removes and traps dirt and moisture.
- Exclusive rubber reinforced face nubs prevent pile from crushing, extending the life of the product.
- Certified slip resistant by the National Floor Safety Institute.
- Available with cleated backing for installations on carpeted surfaces or smooth backing for use on hard surfaces.
- Exclusive "Water Dam" allows the Waterhog mat to hold up to 1-1/2 gallons of water per square yard; water and dirt stay on the mat. (Some styles available with the dam for outside use, so water can drain easily).
- Anti-Static.
- Green friendly rubber backing has 15 to 20% recycled content.
