DATASHEET

HyperX Cloud Earbuds III S Red

PLUG. GO. PLAY

Legendary Comfort. Zero-Latency Immersion. Cloud Earbuds III S are your ultimate gaming companion on the go, bringing HyperX signature comfort and zero-lag immersion into a sleek, pocket-ready form. With ear tips in a range of sizes from XS to L, you can stay cool and comfortable during marathon gaming sessions. With HyperX-tuned 14 mm drivers and integrated surround sound, you'll be at the center of every battle without an additional sound card. An omnidirectional MEMS microphone that delivers better audio than your average earbuds, and an inline control lets you instantly switch volume, mute, and access surround sound for complete control. The angled connector delivers true plug-and-play speeds across mobile, handheld, and PC, with zero lag, no batteries, and no dropped connections — so you can play and win anywhere without sacrificing comfort or performance.

Key features

All Day Comfort

Rich, balanced audio

Experience powerful bass and clear highs for gaming, streaming, and music. Maintain tonal balance for precise in-game cue detection

Surround-sound immersion to pinpoint every detail

The built-in virtual surround sound system creates a wide soundstage so footsteps, explosions, and dialogue sound like they're all coming from exactly where they should. The built-in DPS keeps audio and screen action in perfect sync.

Seamless plug-and-play across all your devices

The 90-degree angled USB-C plug bypasses onboard audio solutions for consistent performance across devices. Designed for mobile gaming prevents snags and pulls. These wired earbuds also provide lag-free in game audio and voice chat USB connection

Crystal-clear voice comms, even in noisy environments

The omnidirectional MEMS microphone with noise reduction clearly captures voices from all angles for clear team chat and streaming.
It maintains consistent distraction-free clarity while reducing background noise so you can focus on communication – durable and built for any gaming environment.

Ultra-portable design for gaming on the go

Lightweight and pocket-ready, these earbuds are extremely comfortable at a fraction of the weight of a full-sized headset. The cable weighs less than 30 g, and the slim size design makes it easy to store in its protective hardshell carrying case.

Product Names	**Product name**: HyperX Cloud Earbuds III S Red
Product Numbers	**Product number**: BN7S2AA
Appearance	**Product Primary Color**: Red
Battery and Power	**Impedance**: 32 Ω
Compatibility	**Compatibility statement**: PC; Nintendo Switch; Console Controllers
Connectivity and communications	**USB specification**: USB 2.0 (full speed); **USB audio format**: Stereo
Drives	**Driver type**: Dynamic; 14.3 mm
Multimedia and input devices	**Cable length (metric)**: 1.2 m ; **Total harmonic distortion**: ≤ 2% (501 - 3400 kHz); **Element**: MEMS microphone; **Polar pattern**: Omni-directional; **Frequency response (headphone)**: 20 Hz to 20 kHz; **Sensitivity (headphone)**: 106.5 dB SPL/ mW at 1 kHz; **Audio controls**: Volume; multifunction button; virtual surround sound toggle; microphone mute; **Cable type**: Built-in, 1.3 m USB-A to USB-C extension; **Frequency response (microphone)**: 100 Hz to 10 kHz; **Sensitivity (microphone)**: -93 dBFS (USB output, Max Volume, 1 kHz); **Sampling rates**: 48 kHz; **Bit-depth**: 16-bit; 24-bit; **Included virtual surround sound**: Yes; **Ear tips**: Silicone; 4 sizes; **Microphone type**: In-line; **Audio connection**: USB-C
System Components	**Form factor**: Wired earbuds
Weight	**Metric**: 26.7 g
What is in the box	Earbuds, 4 sizes of earbuds (medium are preinstalled on the earbuds), Hardshell Carrying Case, USB-C to A extension cable, Quick Start Guide
Manufacturer Warranty	Standard 2 Years Warranty
