2-Pack Under Desk Cable Management Tray, 42" Long (21" Per Tray), Metal Slotted Style Cable Organizer, Screw-On Install, Power Bar Holder, Black, TAA

Product ID: S2MB-DESK-CABLE-TRAY

Maintain a clean, organized workspace and reduce the risk of tripping hazards or tangled cords with this 42in (1060mm) total length (21in/530mm per tray) under-desk cable management tray. Each tray is 4.3in (110mm) wide and 5.1in (130mm) deep to accommodate larger power bars and strips.

Built to support up to 11lb (5kg) per tray, the trays securely hold multiple cables, cords, chargers, power bars, and strips without sagging. Integrated cable management slots improve accessibility and enhance workspace aesthetics by keeping cords neatly routed, contributing to better airflow.

Easily mounts under wooden desks with a minimum thickness of 0.78in (20mm). All necessary hardware is included (4 wood screws) for a stable, straightforward installation.

Powder-coated steel is durable, resistant to scuffs and damage, and remains stable even when fully loaded for long periods of time. Ships in ISTA-6 certified packaging to withstand various transportation conditions and handling processes.

Certifications, Reports and Compatibility

TAA COMPLIANT

Applications

• Keep workspaces organized and clutter-free to reduce the risk of tripping hazards or tangled cords

• Improve cable accessibility and enhance workspace aesthetics by keeping cords neatly routed

Features

• Reduce Cable Clutter: Organize cables with two 21in (530mm) under-desk trays for a combined 42in (1060mm) total length; Each tray is 4.3in (110mm) wide and 5.1in (130mm) deep to support larger power bars and help minimize tripping hazards

• Secure Installation and Optimized Cable Routing: Easily mounts under wooden desks with a minimum thickness of 0.7in (20mm) using 4 included screws; Built-in slots neatly route cables or cords while promoting better airflow and reducing signal interference

• High Load Capacity for Demanding Setups: Each cable management tray supports up to 11lb (5kg), ideal for holding multiple power bars, cable bundles, adapters, and chargers without bending, warping, or failing over time

• Durable Steel Design: Powder-coated steel is durable, resistant to scuffs and damage, and remains stable even when fully loaded for long periods of time; Ships with ISTA-6 certified packaging for damage-free delivery

• The IT Pro's Choice: Built from durable materials and tested for strength, our raceways, sleeves, and other cable routing accessories manage heavy or complex wiring with ease; Backed by free lifetime 24/5 multilingual technical support
