

MiVue™ SMART TRUE 4K DC

Exceptionally Clear Evidence Front to Back

The MiVue™ Smart True 4K DC Dash Cam, captures every moment in stunning clarity — front and rear — whether driving or parked. The front camera records in True 4K Ultra HD while the rear captures True 2.5K HDR resolution with STARVIS 2 for superior night vision. Integrated Smart Parking Mode offers front and rear - sentry-style protection and stay alert with Tailgating Warnings and Smart Safety Camera Alerts that adjust based on your speed (the faster you're driving, the earlier the alert). Double your video recording capacity with Extended Recording Mode. Also, share footage instantly via Wi-Fi.
