## Color Safe Bleach

Chlorine Free Oxygen Bleach

# PROXI Color Safe Bleach

# 5

**PROXI Color Safe Bleach** is an environmentally preferable alternative to traditional bleach, formulated with the power of active oxygen—an effective oxidizing agent that lifts stains and brightens both white and colored fabrics. Made from plant-derived, renewable resources, it works during the wash process to deliver superior cleaning performance while remaining free of dyes and fragrances and avoiding the hazards of chlorine bleach.

## Directions For Use:

**For Laundry:** Add **PROXI Color Safe Bleach** during the first rinse cycle or along with Enviro Care Clear and Natural Laundry Detergent or Enviro Care Fresh Laundry Detergent during the wash cycle.

- Whites: Add 2 - 6 oz. of **PROXI Color Safe Bleach** per 50 lbs. of dry soiled laundry.
- Colors: Add 2 - 4 oz. of **PROXI Color Safe Bleach** per 50 lbs. of dry soiled laundry.
- Stained laundry may require a higher dosage.

## As a Laundry Pre-Soak:

- Sort laundry by color and fabric type.
- Add 3 -4 oz. **PROXI Color Safe Bleach** to 2 gallons of water using hot water.
- Pre-soak the garments then wash as usual using Enviro Care Clear and Natural or Fresh Scented Laundry Detergent and **PROXI Color Safe Bleach**.
  - Pre-soak bright & dark colors between 10 & 30 minutes.
  - Pre-soak whites & all other colors for 30 – 60 minutes.

## For General Purpose & Surface Cleaning:

- Mix 1 part **PROXI Color Safe Bleach** with 5 parts water in a clean spray bottle or bucket.
- Spray or apply solution on desired surface, allow solution to sit 2-5 minutes for optimal stain removal and disinfection.
- Use a clean cloth or sponge to wipe the surface.
- Rinse the area with water after cleaning to remove any residue.

For handling and precautionary information, reference the product label and safety data sheet.

## Available Package Sizes

5 gallon (18.9 Liter)  
#12061145

55 gallon (208.2 Liter)  
#12061157

Properties	
Color	Clear
Fragrance	Peroxide
Specific Gravity	1.016
pH	2.5
Readily Biodegradable	Yes
Phosphate Free	Yes

## Benefits

- Safe alternative
- Effective whitener & stain remover
- Plant derived ingredients
- Multi-purpose cleaning abilities
- Works in all washers
- Hard water tolerant
