HP LaserJet 550-sheet Paper Tray (BV1G1A)

Add input capacity and media flexibility to their HP LaserJet printer

Reduce trips to the printer to reload paper with this paper input accessory. This 550-sheet input tray enables loading full reams of paper before the tray is empty. Print more pages without having to reload paper.

Manage your business, not your printer. Save time by refilling your paper trays less often. Add this 550-sheet paper tray and print for longer without reloading paper.

Added input capacity increases uptime. Individuals and small workteams will enjoy greater productivity and smoother workflow without having to manage paper resources.
