Orbit D401

4K Dash Cam with Wifi App

The GekoGear Orbit D401 is a premium 4K dash cam designed to capture every drive with exceptional clarity and reliability. Featuring Wi-Fi connectivity, the Orbit D401 allows you to record detailed driving footage and conveniently view or transfer videos directly to your smartphone. Advanced safety features such as G-Sensor incident detection, loop recording, and parking surveillance help ensure critical moments are securely captured, making the Orbit D401 an ideal companion for daily commuting and road trips.

4K Front Recording
Dash cam captures every detail with stunning 4K front video. Featuring 140° front wide-angle lens, this dash camera delivers sharper images, balanced lighting, and reliable evidence day or night. Ideal for commuting, road trips, rideshare drivers, and new drivers.

WDR Night Vision
ORBIT D401 dash cam delivers clear, high-contrast footage in any lighting. WDR and HDR technology balance highlights and shadows, ensuring sharp night vision and crisp details day or night, providing reliable evidence and enhanced safety for every drive.

Built-in 2.4Ghz Wifi & Smart App
Connect your smartphone to the dashcam's built-in 2.4GHz WiFi to enjoy fast downloads up to 4MB/s. Using the GekoGear app, you can preview, download, and replay videos in real time, check GPS ata (route, speed, and location), and manage settings effortlessly, making it simple to review footage and share important moments.

Loop Recording & Free Memory Card
ORBIT D410 supports seamless loop recording to ensure continuous coverage without interruption. Older files are automatically overwritten when storage is full, while important events are safely locked. A free memory card is included, giving you ample space for 4K recordings and allowing you to use the camera right out of the box.

24/7 Parking Mode & G-Sensor
Enjoy round-the-clock protection with two parking modes: time-lapse recording for continuous low-bitrate monitoring and G-sensor mode that records when collision is detected. The car security camera with G-sensor automatically locks important clips, ensuring crucial evidence is safely preserved even while your vehicle is parked.(*Hardwire kit needed.)

Specifications:

Resolution: 4K
Screen: 3.2" IPS
G-Sensor: Yes
View Angle: 140°
Loop Recording: Yes
Frequency: 50/60Hz
Video File Format: H.264, H.265
Picture Format: JPG
Wifi: Supports 2.4Ghz
APP: Supported
Frequency: 50Hz/60Hz
Storage Memory: 32GB included (supports up to 256GB)
Mount: Adhesive Mount
Unit Dimensions: 3.5 x 1.8 x 1.5"
Unit Weight: 0.21lb (95g)
Operating Temperature: -20° - +70°
Power Supply: USB-C 5V/1A
