Orbit D420

3 Channel 4K Dash Cam with GPS and App Acess

The GekoGear Orbit D420 delivers complete on-the-road protection with a powerful 3-channel recording system. Featuring a stunning 4K front camera, a 1080P interior cabin camera, and a 2K rear camera, it captures crystal-clear footage from every angle — day or night. Built-in Wi-Fi connectivity lets you easily view, download, and share videos directly from your smartphone. Whether you're commuting, ridesharing, or road-tripping, the Orbit D420 ensures every moment is recorded with exceptional detail and reliability.

3 Channel
The Orbit D420's triple channel dashcam system seamlessly monitors the road ahead, within the cabin and behind, capturing every moment in pristine Ultra HD (4k) quality for the front and 1080P for the inner cabin and 2K for the rear. Featuring emergency clip locking, loop recording, and time-lapse recording, it gives you enhanced road security for every journey.

GPS Tracking of Location and Speed
The Orbit D420 offers precise GPS logging, capturing your vehicle's exact location, speed, and travel routes. With its integrated GPS feature, the Orbit D420 not only safeguards your journeys but also creates a detailed travel log accessible via a compatible mobile app.

Connectivity & Convenience
The Orbit D420 enhances convenience with its advanced WiFi direct connectivity, enabling quick and effortless video clip transfers directly to your smartphone.

Built for the Road
The Orbit D420 features a slim, compact design paired with a user-friendly interface and a convenient 3-inch LCD display. It includes a 32GB micro-SD card—expandable up to 512GB. Designed for simple installation and reliable performance, the Orbit D420 delivers comprehensive surveillance for the road.

Specifications:

Resolution: Front 4K + In-Cabin 1080P & Rear 2K
Screen: 3" IPS
