3-in-1 2.0 Keyed Lock Extension for Desktop Peripheral Kit

Part Number: K63376WW (Standard Keyed) | UPC Code: 0 85896 03891 7
Part Number: K63377WW (Master Keyed) | UPC Code: 0 85896 03901 3

One lock extension. One tip. Broad compatibility.

Securing a mixed fleet of devices with different security slots (standard, nano, or wedge-shaped) can require multiple lock types or interchangeable tips—adding complexity and increasing the risk of lost components.

For organizations deploying the Desktop & Peripherals Locking Kit 2.0 (K64424WW), accommodating varying slot formats may create additional management challenges. The 3-in-1 2.0 Keyed Lock Extension solves this with a true one-tip design that fits all three slot types—no interchangeable parts required.

Built on Kensington's 5mm Keying System with patented anti-pick Hidden Pin™ technology, it delivers robust protection while simplifying security standardization across desktops and connected devices.

- **Works with Desktop & Peripherals Locking Kit 2.0 (K64424WW)**
- **One lock tip fits standard, nano, and wedge-shaped slots**
- **360° rotating head enables one-handed locking without blocking ports**
- **Proprietary cleat lock for secure internal grip**
- **6' (1.8m) self-coiling cut-resistant carbon steel cable**
- **5mm Keying System with patented anti-pick Hidden Pin™ technology**
- **Meets or exceeds rigorous industry standards**
- **Register & Retrieve™ key replacement program**
- **5-year limited warranty**

3-in-1 2.0 Keyed Lock Extension for Desktop Peripheral Kit

Part Number: K63376WW (Standard Keyed) | UPC Code: 0 85896 03891 7
Part Number: K63377WW (Master Keyed) | UPC Code: 0 85896 03901 3

Compatible with Desktop & Peripherals Locking Kit 2.0

Designed for use with the Desktop & Peripherals Locking Kit 2.0 (K64424WW), expanding compatibility to devices with standard, nano, or wedge-shaped security slots.

One Lock Tip for Any Lock Slot

Single-tip lock extension fits standard, nano, and wedge-shaped security slots without interchangeable parts.

One-Handed Locking and No Port Blocking

360° rotating lock head enables one-handed attachment from any angle without blocking adjacent ports.

Proprietary Cleat Lock

Internal cleat mechanism firmly grips inside the slot for a secure hold.

3-in-1 2.0 Keyed Lock Extension for Desktop Peripheral Kit

Part Number: K63376WW (Standard Keyed) | UPC Code: 0 85896 03891 7
Part Number: K63377WW (Master Keyed) | UPC Code: 0 85896 03901 3

Self-Coiling Carbon Steel Cable

Cut-resistant cable stretches up to 6' (1.8m) and retracts to 3" (76mm) with protective sheathing to prevent scratches.

5mm Keying System with Patented Hidden Pin™ Technology

Compatible with recent Kensington locks and features anti-pick Hidden Pin™ technology.

Verified & Tested

Meets or exceeds industry standards for strength, endurance, and mechanical resilience.

Register & Retrieve™

Online key registration program for secure key replacement.

5-Year Limited Warranty

Backed by a 5-year limited warranty.
