# Sealed MOUSE

#1 Choice in Infection Control

Bio-burden can quickly accumulate between the gears of a scroll wheel, and deep inside the mouse where no disinfectant can reach.

A Medical Grade™ mouse is fully sealed and fully functional. You'll find glide and touch instantly familiar. The innovative five-button design allows for scrolling and selecting with ease. Medical Grade™ mice are available in two sizes. Choose the size that feels most comfortable to you.

**Sealed Design:**  
Easily clean and disinfect with EPA-registered wipes.

**MagFix:**  
Built-in magnets allow for use at any angle when used on wall-mounts or keyboard trays. Avoid the use of dirty Velco™.

**Custom Cable:**  
Non-standard cable lengths available

**Private Label:**  
Add a one-color custom logo
