

NexStar SX

Model: NST-204C3-SV

2.5" SATA SSD to USB 3.1 Gen 2 Type C Enclosure

This New Addition to the NexStar SX Series shows our commitment to give you the best product available. This 2.5" SATA SSD Enclosure is a classic by itself. Write Protect switch to block Virus, Anodized Aluminum crafted Unibody using CNC process, Pocket size, USB 3.1 Gen 2 USB C native and plus all the great features you can expect from Vantec Storage. It is small, thin and very light weight, but you can easily add a 2TB (maybe more later) SATA SSD (have to be 7mm in thickness max) into it. This Unibody design gives it the beauty, strength, durability, and heat dissipation properties. Lastly, of course, we cannot overlook the Mega Speed USB 3.1 Gen 2.
