# HP 32GB DDR4-3200 DIMM (13L72AA)

## Overview

Boost the capabilities of your HP Business Desktop PC and improve system performance and application responsiveness with low-power, high-speed DDR4 memory from HP.

### Flexible, fast scalability

Improve start-up times with fewer delays during routine operations, run more programs simultaneously, and easily toggle between them with super-fast, power-efficient memory that you can scale to meet your exact requirements.

### Supported by HP

Protect your investment with the same world-class HP limited warranty you get for your PC.

### HP-tested

Ensure that all of your memory characteristics match by upgrading with HP-branded memory that's been tested for seamless system-level integration with HP PCs.
